

SEEKING SITES

- Today, Professional's patient-oriented treatment method has exploded onto the industry scene, and with facilities in Queens, Manhattan, Long Island, Bronx, Brooklyn, Westchester, New Jersey, Connecticut, Massachusetts and New Hampshire, getting the quality physical therapy you deserve has never been more convenient. We employ clinical and administrative staff members, and offer Specialty Rehabilitation, Athletic Training, and Fitness Services.
- At Professional, our revolutionary services provide patients with multi-specialty Physical Therapists who can treat any body part and injury with excellence. Our clinical expertise and exceptional patient experience has made us Practice of the Year nationwide, as well as NY Metro area's number one choice for Physical Therapy.
