- At Just Love Coffee we're more than just a coffee company. We combine our mission to be a catalyst for love with a dedication to producing the finest coffees and food offerings through our franchises. The waft of excellent hand-roasted coffee is surely one of the world's greatest aromas, but to us, it represents more than just a job well done. It's an opportunity to change the world we live in; to put people before profit; to give back to the community. Just Love Coffee Roasters has been a finalist in the prestigious Roaster of the Year in 2014 and 2015. The business has grown since its inception seven years ago. Our franchises now offer great food to match our coffee.
