MSU INNOVATION CAMPUS

BOZEMAN, MT

MSU Innovation Campus is a 42-acre development in fast growing Bozeman, Montana. Once complete, the campus will be home to more than 750,000+ SF of tech, bio-tech, and office space. The project plans include more than a dozen potential buildings, including specialized labs, research offices and manufacturing spaces. The goal of the campus is to support the research, technology transfer, entrepreneurial, and economic development activities of the university, the region and the state.

MSU Innovation Campus is offering 10,000 SF – 150,000 SF office space and build to suite opportunities for lab, medical, high tech businesses to join a fantastic campus environment. Located in close proximity to Montana State University, the project offers access to MSU student population as well as state of the art research and world class professors. Companies that locate on the campus will have opportunities to explore working relationships with the only “very high research activity” university, as defined by the Carnegie Classification of Higher Education, in a five-state region and one of the top 100 public research universities ranked by the National Science Foundation.
