► About Us:

In March 2017, Danielle Mahon opened the first Topsail Steamer location in Surf City, North Carolina. Topsail Steamer brings the joy of a coastal seafood boil to your home with our easy-to-use, customizable steam pots.

Our signature “Bay Buckets” are filled with fresh seafood, sausage, vegetables, and homemade spices, making it simple for anyone to enjoy a delicious seafood meal without the hassle. Today, there are 10 locations (and growing!) and we ship nationwide through our partner, Goldbelly.com.
