► About Us:

Yoga Joint is an infrared heated mindful fitness brand with two class products FLOW and FIIT. FLOW is a 60-minute infrared-heated vinyasa yoga class focused on movement, balance, and breathwork. FIIT is a 45-minute, infrared-heated strength-training, cardio, and full-body workout using weights and a band. The studios are modern and built with intention in order to provide a seamless member experience with state of the art heating systems, lighting systems, sound quality, pick a spot feature, equipment management, locker rooms, and showers.
