<p>Socioeconomic Traits In large interstate corridors / coastal metros, these diverse, often immigrant communities have large families and some single-person households. Residents earn middle incomes, rent older multiunit homes, own few cars, and often use public transit.</p>	<p>Socioeconomic Traits These Western suburban neighborhoods house mostly middle-income, working couples aged 35-74. Homes are mid-century builds with ample parking. Residents commute alone, and most properties are valued between \$300K and \$500K.</p>	<p>Socioeconomic Traits Concentrated in New England, Mid-Atlantic, and Pacific suburbs, these affluent, educated married couples often have children in private schools. Many are executives or business owners, with high net worth and single-family homes.</p>
