Visionary Real Estate Solutions

# Who We Are

**Charter Realty is a full-service brokerage and advisory company with offices in four states. Our working footprint spans across the United States, with over 40 local broker affiliations.**

From startups to publicly traded multinational brands, Charter represents retailers, health & wellness, entertainment, restaurant, school, office and medical tenants. Charter's well respected and experienced team of brokers work with dozens of national and regional tenants, including many of the largest retailers in the United States. As one of the most active real estate firms in the industry, CoStar™ consistently awards Charter its PowerBroker™ designation.

In addition to its tenant representation work, Charter's landlord representation assignments consist of millions of square feet on behalf of landlords ranging from small ownership groups to some of the most recognized REITs in the industry. Whether it's a boutique luxury storefront, or a big box regional shopping center, Charter's team is equipped to execute on a wide range of leasing assignments on behalf of third party landlords.
