The French American Academy

Bilingual Education, International Citizens

- The French American Academy strives to provide the highest educational standards with a bilingual, comprehensive curriculum in a safe and creative environment. Reality is that we foster an atmosphere that promotes critical thinking, curiosity, enthusiasm and a strong work ethic. In addition we encourage the physical, social and emotional development of our students in a nurturing, multicultural setting. Finally we cultivate diversity and inclusion as well as individual talents. Therefore we aspire to see our students become well-rounded, lifelong learners, who are respectful, confident, positive, open-minded, and globally literate. The French American Academy currently has two locations.
