- Medi-Weightloss was developed by physicians, registered dietitians, and health professionals in the area of weight loss to help you control your calorie and carbohydrate intake while eating the optimum amount of protein to preserve muscle mass. The Medi-Weightloss Program is evidence-based to result in a successful lifestyle change. When administering the treatment, Medi-Weightloss healthcare providers take each patient's unique health profile into account, which is what makes us The One that Works! Medi-Weightloss has been in business for 13 years and has 92+ locations.
