

SEEKING SITES

- Our mission was to create a nail services destination that presents with an optimal environment for total mind-body relaxation. Within our walls you will find Zen architecture, soft lighting, stone fountains, serene colors, moss art and walls, relaxing audio, ultra-comfortable custom seating, privacy draping, personal flat screen TVs with noise-cancelling headphones, 3-zone air purification systems, and a variety of premium nail polish brands – all combined with ultra-hygienic nail care services, cutting edge techniques, courtesy custom blended tea offerings and clean business practices. The first Nail Sanctuary opened its doors in 2018 and It is projected that there will be over 39 locations open and operating by 2021.
